MOTION FOR WAIVER OF FILING
DEADLINE

DOCKET NO. 2010-017

CAUSE NO. 131-127B

Comes now the Petitioners, James Curtis and Debra Starkey aka Debra Curtis, and requests that Petitioner's deadline of the 10th day of February, 2010 for filing the Request for Agency Action for inclusion in the Board of Oil, Gas and Mining's March, 2010 regular meeting agenda be waived. Petitioner James Curtis caused to be emailed to the Secretary of the Board an electronic scan of his original Request for Agency Action signature page on February 17th, 2010. Petitioner James Curtis also caused to be mailed February 17, 2010 the necessary 14 copies and 1 original of his original Request for Agency Action Signature page to the Board and to the Respondents. The granting of this waiver will allow the Board and the Division of Oil, Gas and Mining to expedite this matter as the Division is currently investigating a similar alleged non-payment issue within the same drilling unit in Cause No. 131-27.

Dated this 17th day of February, 2010.
